

FACS global tax compliance is here.
And so is the service to keep you in control.

Compliant Cost Effective Customer Focused

Comprehensive ATO Supported Functionality

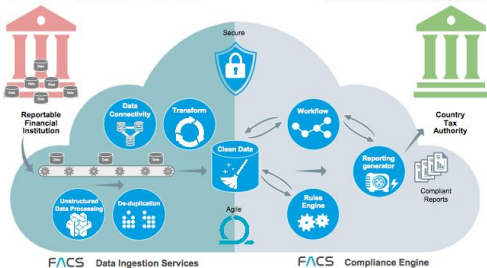

Our scalable, flexible and configurable business ready solution provides a single platform for compliance across all stages of the FATCA and CRS regulatory reporting process.

FACS is purpose built from the ground up by leveraging our extensive knowledge and unique experience in major financial institutions. Our deep understanding reduces the burden of complex tax regimes.

Leading Australian Built FATCA & CRS Service

"From disparate, distributed customer data..."

"...to FATCA and CRS compliance"

FACS is the Solution of Choice

Our differentiated service applies technological innovation to a predominantly data driven problem focusing resources on streamlined and optimized processes.
